The Detroit Tribune.

That great independent and eminent-
ly fair newspaper, The Detroit Trib-
une, has just completed a work of much
historic value to the state of Michigan.
The work is the official souvenir of the
recent celebration at Jackson of the
fiftieth anniversary of the monster mass
meeting held under the Jackson oaks
July 6, 1854, at which Michigan placed
herself squarely against the extension of
slavery and formed the republican
party. The book contains the official
proceedings of the celebration, a history
of the republican party and portraits of
many eminent citizens who took part
in that great historic event of 50 years
ago. It also contains engravings of the
chief participants in the celebration, of
many leading citizens of Michigan.
Being bound in leather, the work will
form a lasting memento and a valuable
historical possession for those who are
to receive it.
